DOMESTIC BUILDING ON HYDE PARK CORNER

PROJECT: Domestic building on Hyde Park Corner
CLIENT: Laing Oâ€™Rourke
DATE: 09 October 2009
DURATION:

PROJECT DETAILS

Ogle Models and Prototypes Ltd uses its architectural model making expertise in project with major Architects.

What we did:

- â€¢ Consideration of stability
- â€¢ Re-design to include stronger sections where the wall thicknesses was too thin to build on the SLS process
- â€¢ Building individual parts using Primepart
- â€¢ Fitting parts together
- â€¢ Mounting onto Perspex plate
